FLAVOURS with a DIFFERENCE

ICE CREAM BLENDS

Flavorjen supply range of soft serve and hard pack ice cream powder blends, the soft serve products are packed in 3 kg sachets to accommodate most commercial soft serve machines. The hard pack versions are packed in bulk for a standard ice cream process line. A large range of flavour options can be supplied, these are either ready mixed in the blend or supplied separately.

- **Soft Serve Powder**
- **Vegan Soft Serve Powder**
